## REFERENCES

Jackie Metler  
Senior Media Developer  
Pearson Education  
847-867-0314

Relationship: Manager

Over the course of five years, I reported to Ms. Metler as a Media Developer in the creation of Professional Development (PD) videos, online tutorials, maintenance and posting of videos to [mypearsontraining.com](http://mypearsontraining.com).

Kevin Suits  
Director, Digital Design  
Honeywell Aerospace  
480-241-4446

Relationship: Colleague

For the past year I have worked closely with Mr. Suits in the creation of videos for trade shows as well as animated training videos designed to show Honeywell clients different tools and areas of Honeywell's MyAerospace website.

Brad Golden  
Videographer/Producer  
Arizona State University/RIMSE (Research and Innovation in Mathematics and Science Education)  
602-327-0016

Relationship: Manager

For two years, I reported directly to Mr. Golden as a Sr. Media Specialist for a grant-based project, RIMSE. Assisted in the filming of classroom footage for the project, edited footage, managed ASU Math Education website, created a web-based application to house the footage and created graphics and animations under the direct supervision of Mr. Golden.
